

WINTER CAT SHELTER BUILDING WORKSHOP

**Saturday
January 20
10a-2p**

We invite everyone out to learn to construct simple, insulated shelters for cats that live outside. All materials will be provided and the workshop is free to attend. If you want to take home the shelter you build, there is a \$10 materials fee (scholarships available). Together, we can keep cats warm this season.

**Holmesburg Boys Club, 7756 Ditman Street,
Philadelphia, PA, 19136 | info: catadelphia@gmail.com**
